OPERATION

The 5121 Decorative Crystal Glass Luminaire (Slave) is illuminated by a 4 watt T5 Fluorescent Tube, powered via a Central Battery System. In the event of a mains failure, emergency illumination is provided for 3 hours. The AC/DC Slaves can be supplied as 24 volt, 50 volt, and 110 volt versions. A self-contained version of the luminaire is also available (*Ref 5120*).

The decorative crystal glass bowl is held securely in place with simple screw fastenings, allowing for easy installation and maintenance. The 5120 comes with a white steel base as standard and an optional brass base finish provides a luminaire suitable for any high décor area.

There is a wide range of ancillary devices and related products which supplements this emergency lighting luminaire range.
