

5131 DECORATIVE LOW PROFILE LUMINAIRE (SLAVE/MAINS)**APPLICATIONS**

The 5131 Decorative Low Profile Luminaire (Slave/Mains) is an attractive low profile circular luminaire and is suitable for most internal emergency lighting applications. It is particularly suited for emergency escape routes in hotels, restaurants, hospitals, schools and commercial premises where a modern style mains or emergency luminaire is required.

**FEATURES**

- Tough Opal Diffuser
- Low Profile Modern Design
- Easy Installation
- Reliable
- High Light Output
- Low Power Consumption
- Choice of High Quality Base Finishes
- Aesthetically Pleasing
- 4 watt 2D Fluorescent Lamp
- 3 Hour Emergency Luminaire
- Designed to Comply with ICEL and British Standards

OPERATION

The 5131 Decorative Low Profile Luminaire (Slave/Mains) is illuminated by a 28 watt 2D Fluorescent Lamp, powered via a Central Battery System. In the event of a mains failure, emergency illumination is provided for 3 hours. The AC/DC Slaves can be supplied as 24 volt, 50 volt, 110 volt and 230 versions, with the latter suitable to work direct from the mains. Note, the mains version can not provide emergency illumination backup in the event of a mains failure. A self-contained version of the luminaire is also available (*Ref 5130*).

An easy mount Opal Polycarbonate Diffuser comes as standard with a white base fitting. Optional Brass and Chrome base finishes provide a luminaire suitable for any modern décor area.

There is a wide range of ancillary devices and related products which supplements this emergency lighting luminaire range.

APPROVALS : Designed to conform to ICEL 1001: 1999 and BS EN 60598-2-22 1999
