

**5141 DECORATIVE GLASS BOWL LUMINAIRE (SLAVE/MAINS)****APPLICATIONS**

The 5141 Decorative Glass Bowl Luminaire (Slave/Mains) is a high quality luminaire and is suitable for most internal emergency lighting applications. It is particularly suited for emergency escape routes in hotels, restaurants, hospitals, schools and commercial premises where a modern style emergency luminaire is desirable.

**FEATURES**

- Large Opal Glass Diffuser
- Aesthetically Pleasing Design
- Easy Installation
- Reliable
- High Light Output
- Low Power Consumption
- Brass Metal Base
- Optional Chrome Base available
- 28 watt 2D Fluorescent Lamp
- 4Ah Nickel Cadmium Battery
- 3 Hour Emergency Luminaire
- Designed to Comply with ICEL and British Standards

**OPERATION**

The 5141 Decorative Glass Bowl Luminaire (Slave/Mains) is illuminated by a 28 watt 2D Fluorescent Lamp, powered via a Central Battery System. In the event of a mains failure, emergency illumination is provided for 3 hours. The AC/DC Slaves can be supplied as 24 volt, 50 volt, 110 volt and 230 versions, with the latter suitable to work direct from the mains. Note, the mains version can not provide emergency illumination backup in the event of a mains failure. A self-contained version of the luminaire is also available (*Ref 5140*).

The 5141 consists of a large Opal Glass Diffuser mounted on a spun brass metal base. An optional chrome base finish is also available to provide a luminaire suitable for any high décor area. The high quality decorative glass bowl is held in place with simple fastenings, allowing for easy installation and maintenance.

There is a wide range of ancillary devices and related products which supplements this emergency lighting luminaire range.

**APPROVALS** : Designed to conform to ICEL 1001: 1999 and BS EN 60598-2-22 1999
